

TOWNSHIP OF STONE MILLS

BY-LAW NO.2007-413

WASTE MANAGEMENT BY-LAW

Being a by-law to establish rules and regulations governing Waste Control, Recycling and Landfill Operations within the Township of Stone Mills, including requirements for the operation of a Bag System by which fees will be required to dispose of materials outlined in the by-law.

WHEREAS Clause 11(3)(3) of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended, (the "Municipal Act") provides that a municipality may pass by-laws respecting waste management matters;

AND WHEREAS Section 127 of the Municipal Act provides that a municipality may prohibit the depositing of refuse or debris on land without the consent of the owner or occupant of the land;

AND WHEREAS Subsection 446(1) of the Municipal Act provides that if a municipality has the authority under a by-law, the Municipal Act or any other Act to direct or require a person to do a matter or thing, the municipality may also provide that, in default of it being done by the person directed or required to do it, the matter or thing shall be done at the person's expense and the municipality may recover the expense incurred in doing it by action, or by adding the costs to the tax roll and collecting them in the same manner as property taxes;

AND WHEREAS Subsections 446(5), (6) and (7) of the Municipal Act deem the costs described in Subsection 446(1), together with accrued interest, to constitute a lien on the person's land upon registration of a notice of lien against that land;

AND WHEREAS Council deems it in the public interest to establish a system within this Township to reduce the amount of garbage entering the Municipal Waste Disposal Sites, including a mandatory requirement to separate waste that can be recycled, in the most cost-effective and equitable manner possible;

NOW THEREFORE the Council of the Corporation of Stone Mills enacts as follows:

1. Title and Scope

- 1.1 This by-law for waste management, recycling and disposal may be cited as the "Waste Management By-law".
- 1.2 The provisions of this by-law shall apply to all persons, lands, structures, businesses and uses within the boundaries of the Corporation of the Township of Stone Mills.
- 1.3 This by-law shall not relieve any person from their obligation to comply with any provision of the Health Protection and Promotion Act, R.S.O. 1990, c.H.7, as amended, or any regulation or order prescribed by a Medical Officer of Health or the Minister of the Environment.

2. Definitions

- 2.1 “Commercial Waste” means non-organic waste generated from commercial operations, other than recyclable blue box items, Construction Waste, Hazardous Waste, Industrial Waste and any other waste that may not be disposed of at a Municipal Waste Disposal Site.
- 2.2 “Construction Waste” means any waste item from the building, renovating, or removal of any house, business, farm building or structure.
- 2.3 “Cottage” – means a recreational dwelling used for rest or relaxation but not occupied continuously or as a principal permanent residence.
- 2.4 “Council” – means the Council of the Corporation of the Township of Stone Mills.
- 2.5 “Farm Waste” means non-organic waste generated from farm operations, other than recyclable blue box items, Construction Waste, Hazardous Waste, Industrial Waste and any other waste that may not be disposed of at a Municipal Waste Disposal Site.
- 2.6 “Hazardous Waste” means waste and materials as may be defined from time to time by the Ministry of Environment as hazardous and shall include but not be limited to the following:
- flammable or incendiary materials and liquids;
 - incinerator ash;
 - explosives;
 - dry cell and wet cell batteries;
 - motor oil;
 - propane;
 - tanks containing propane;
 - radioactive materials that may be hazardous or dangerous to the public health, safety or environment;
 - paint containers;
 - drugs and medicines;
 - chemical wastes;
 - pathological waste including syringes, needles, dressings, body parts and fluids, tissues, medical instruments and other such items as may or could reasonably contain pathogenic bacteria or microorganisms;
 - dead animals;
 - offal; and
 - sewage.
- 2.7 “Industrial Waste” means waste materials from any industrial or manufacturing process, or waste from any property assessed for industrial or manufacturing uses.
- 2.8 “Landfill Area” – means the operative area of a Municipal Waste Disposal Site, which is designated as an area for the disposal of waste and subsequent covering by earth fill.

- 2.9 “Municipal Waste Disposal Site” – means an area designated by this by-law for the disposing of waste and the diversion of recyclable material.
- 2.10 “Non-hazardous waste” – means all waste that is not Hazardous Waste.
- 2.11 “Non-recyclable Large Waste Items” means non-recyclable items that, due to their size and composition, will not be accepted at Municipal Waste Disposal Sites and includes, but is not limited to, couches, chairs, carpets and tables.
- 2.12 “Person” – means any human being, association, firm, partnership, incorporated company, corporation, agent or trustee and any heirs, executors, successors, assigns or other legal representative of a person to whom a contract can apply according to law.
- 2.13 “Recyclable Material” – means those materials and items which are accepted by a Municipal Waste Disposal Site for collection and processing by a third party.
- 2.14 “Resident” means a person, who can provide proof of residency in a dwelling unit (within the Township) that is zoned residential in the Zoning by-law.
- 2.15 “Residential Household Waste” means waste generated from the packaging and/or consumption of food or beverages, other than recyclable blue box items that can be recycled at the Township recycling depots. This definition does not include Construction Waste, Hazardous Waste or Industrial Waste.
- 2.16 “School” means an establishment in which students are enrolled for the purpose of education or learning and to some degree funded by the government.
- 2.17 “Township” – means the Corporation of the Township of Stone Mills.
- 2.18 “Township Bags” – means the garbage bags sold and distributed by the Township for the disposal of all non-recyclable waste (except Non-recyclable Large Waste Items and other waste items that may not be disposed of at Municipal Waste Disposal Sites).
- 2.19 “Waste Disposal Site Attendant” – Any person designated by the Township of Stone Mills to have control or authorization over a said Municipal Waste Disposal Site.
- 2.20 “White Metal” means refrigerators, freezers, stoves, ovens, ranges, hot water heaters, hot water tanks, washing machines, clothes dryers, and similar such items and materials.

3. *Municipal Waste Disposal Sites*

- 3.1 The following areas are designated by the Township as Waste Disposal Sites:

Site No.1 - Camden East Waste Disposal Site

The Camden East Waste Disposal Site is located 2.7 kilometres north of the hamlet of Camden East on County Road 4, being

Part Lot 26, Concession 2, former Township of Camden East, now Township of Stone Mills, County of Lennox & Addington; as more particularly described in Instrument No. 32011 registered in the Registry Office for the Registry Division of Lennox and Addington (No. 29) on February 9, 1961 and by the Ministry of Environment and Energy Certificate of Approval No. A370603, issued on October 29, 1980.

Site No.2 - Moscow Waste Disposal Site

The Moscow Waste Disposal Site is located 4 kilometres north of the hamlet of Moscow on County Road 6, being Part Lot 43, Concession 6, former Township of Camden East, now Township of Stone Mills, County of Lennox & Addington; as more particularly described in Instrument No. 58636 registered in the Registry Office for the Registry Division of Lennox and Addington (No. 29) on September 29, 1970 and by the Ministry of Environment and Energy Certificate of Approval No. A 370601, issued on October 14, 1980, as amended.

Site No.3 - Sheffield Waste Disposal Site

The Sheffield Waste Disposal Site is located 6 kilometres north of the hamlet of Tamworth on County Road 15, being Part Lots 16 & 17, Concession 8, and Part Lots 16 & 17, Concession 9, former Township of Sheffield, now Township of Stone Mills, County of Lennox & Addington, being Parts 1, 2, & 3 on Plan 29R-2652; as more particularly described in Instrument No. 147865 registered in the Registry Office for the Registry Division of Lennox and Addington (No.29) on September 11th, 1986 and the Ministry of Environment and Energy Certificate of Approval No. 371304, issued on October 25th, 1982.

- 3.2 The Municipal Waste Disposal Sites shall be operated and maintained by the Township in accordance with the Site Certificates of Approval, the provisions of this by-law, and the requirements of the Ministry of the Environment.
- 3.3 The Municipal Waste Disposal Sites shall be open for the disposal of waste and other permitted materials and the operation of recycling depots in accordance with the times set out in Schedule "A" to this by-law.
- 3.4 Notwithstanding the provisions of section 3.3 above, public access to the Municipal Waste Disposal Sites shall be restricted to those times when a Waste Disposal Site Attendant is on duty.
- 3.5 No person shall enter upon a Municipal Waste Disposal Site except during the designated hours of operation of the Municipal Waste Disposal Site and in the presence of the Waste Disposal Site Attendant.
- 3.6 No person shall enter upon a Municipal Waste Disposal Site except for the purpose of transferring recyclable material or disposing of waste in accordance with the provisions of this by-law, or any other lawful purpose.

4. General Provisions

- 4.1 No person shall dispose of, or cause to be disposed of, any waste, refuse, or garbage except in conformity with the provisions of this by-law and the schedules annexed thereto.
- 4.2 No person shall dispose of any waste of any kind on any lands within the Township of Stone Mills except such lands as are designated as Municipal Waste Disposal Sites.
- 4.3 No person shall dispose of waste or recyclable material at a Municipal Waste Disposal Site if such waste or recyclable material originates from any lands or use located outside the territorial limits of the Township of Stone Mills.
- 4.4 At the Municipal Waste Disposal Sites, persons shall dispose of permitted waste to be land-filled and divert recyclable items in accordance with the directions of the Waste Disposal Site Attendant and in accordance with the provisions of this by-law.
- 4.5 No person shall dispose of, or cause to be disposed of, in a Municipal Waste Disposal Site any prohibited waste material as listed in Schedule "C" of this by-law.
- 4.6 No person shall dispose of, or cause to be disposed of, any recyclable material at a Municipal Waste Disposal Site except in accordance with the provisions of Schedule "E" of this by-law.
- 4.7 Any person who desires access to a Municipal Waste Disposal Site may be required by the Waste Disposal Site Attendant to produce a Driver's Licence and/or other forms of identification or documentation acceptable to the Waste Disposal Site Attendant that proves the person's residency and/or the origin of the waste that is to be disposed.
- 4.8 No person shall scavenge, pick over, interfere with, remove or scatter any materials within the landfill area of a Municipal Waste Disposal Site unless authorized by the Reeve and Clerk-Administrator of the Township, but nothing in this section shall prevent a person from doing so in respect of any items set out for reuse by the Waste Disposal Site Attendant.
- 4.9 No person shall offer to, or give to, any Waste Disposal Site Attendant a gratuity for services provided by the Township, nor shall any Waste Disposal Site Attendant accept any gratuity.
- 4.10 No grass clippings, leaves, or garden waste shall be disposed of at a Municipal Waste Disposal Site. These items can be composted in backyard composters or can be left to decompose naturally.
- 4.11 Any items that do not follow the guidelines of this by-law or do not meet the Waste Disposal Site Attendant's approval may be refused.
- 4.12 No person shall dispose of any allowable Non-Recyclable Waste Items at a Municipal Waste Disposal Site unless it is contained within Township Bags.
- 4.13 Notwithstanding any other penalty or remedy of law available to the Township, the owner, occupant, lessee or person using any

structure or lands within the boundaries of the municipality for the dumping or disposing of garbage, refuse, industrial waste, hazardous materials or waste of any kind where such lands or structures are not designated as a waste disposal site, shall upon written notice served by the Township cease using such lands or structures for such purposes and remove or cover such garbage, refuse, industrial waste, hazardous materials or other waste in the manner prescribed by the Township.

- 4.14 No person shall transport waste within the Township unless such waste is contained in a manner that does not result in the waste being blown or scattered from the transporting vehicle or deposited along public highways or abutting lands.

5. Special provisions

5.1 Township Garbage Bags

- 5.1.1. Township Bags may be purchased at the Stone Mills Township Office, as well as participating retail outlets.
- 5.1.2 The rules, requirements, fees and limits for Township Bags are specified in Schedule “B” of this by-law.
- 5.1.3 Township Bags may only be purchased by persons appearing on the Tax Assessment Roll, by their duly authorized agents, or by tenants who are able to show proof of occupancy in the Township of Stone Mills.
- 5.1.4 Only one small opaque bag or container may be placed inside each Township Bag. This limit is to prevent the disposal of improper waste in Township Bags. Such opaque bags or containers are intended for the disposal of personal items only and cannot contain any waste that is otherwise prohibited by this by-law.
- 5.1.5. No person shall place more than one opaque bag or container inside any Township Bag that is deposited at a Municipal Waste Disposal Site.
- 5.1.6 The only exemption to the provisions of sections 5.1.4 and 5.1.5 is where a Homecare Director or medical doctor recommends that a person be entitled to use more than one small opaque bag or container inside each Township Bag to properly dispose of personal items that are not otherwise prohibited by this by-law. The specific requirements for this exemption are set out in Schedule “F”.
- 5.1.7 No person shall duplicate or use any items to impersonate the Township Bags.

5.2 Waste Disposal Items Sheet

- 5.2.1 A Waste Disposal Items Sheet must be completed by the Resident and the Waste Disposal Site Attendant for materials that require special attention before disposal, including White Goods, Large Recyclable Items, Brush and Tires.
- 5.2.2 The Waste Disposal Items Sheet is attached as Schedule “D” to this by-law.

5.3 Provisions for Recyclable Items

- 5.3.1 A Recyclable Items List is attached as Schedule “E” to this by-law and specifies which items can currently be diverted at the Municipal Waste Disposal Sites.
- 5.3.2 The Waste Disposal Site Attendant has the authority to refuse any material that does not conform to this bylaw.
- 5.3.3 No person shall dispose of any recyclable material within the landfill area or any other areas of a Municipal Waste Disposal Site not designated for recyclable material.
- 5.3.4 No person shall dispose of any recyclable material that contains Hazardous Waste.
- 5.3.5 No person shall dispose of any waste material containing freon except in accordance with the provisions of Schedule “E” of this by-law.
- 5.3.6 Brush and clean untreated, unlaminated, unpainted, unglued lumber may be deposited for disposal at the burning areas of the Camden East or Sheffield Waste Disposal Sites only, in accordance with the directions of the Waste Disposal Site Attendant.

6. Penalties and Enforcement

- 6.1 Any person who contravenes any provision of this by-law is guilty of an offence and upon conviction is liable to a minimum fine as set out in Schedule “G” to this by-law and a maximum fine of \$10,000.00 for a first offence and \$25,000.00 for any subsequent offence or, in the case of a corporation, a maximum fine of \$50,000.00 for a first offence and \$100,000.00 for any subsequent offence.
- 6.2 Where a person fails to carry out any direction or action required by the Township as authorized by this by-law, the Township may upon reasonable and written notice take such action as directed at the expense of the person and such expense may be recovered by the Township in like manner as municipal taxes in accordance with the provisions of Section 446 of the Municipal Act, as amended.

7. Existing and conflicting by-laws

- 7.1 By-law No. 99-77 is hereby repealed.
- 7.2 To the extent that the provisions of this by-law conflict with the provisions of any other by-law, the provisions of this by-law shall prevail.

8. Newburgh

- 8.1 Residents of the former Village of Newburgh (Newburgh Ward) will continue to use a private contractor for residential waste, recyclable materials and large items.
- 8.2 Residents of the former Village of Newburgh (Newburgh Ward) may deposit White Metal, scrap metal, tires and brush, at the

prescribed rates, at any of the Municipal Waste Disposal Sites in the Township of Stone Mills.

8.3 Notwithstanding section 8.2, no brush can be deposited at the Moscow Waste Disposal Site.

9. Schedules

9.1 The following schedules annexed and attached to this by-law shall form a part of this by-law:

Schedule "A" –Municipal Waste Disposal Sites–Hours of Operation

Schedule "B" – Fees/Bag Requirements

Schedule "C" – Prohibited Waste Materials

Schedule "D" – Waste Disposal Items Sheet

Schedule "E" – Diverting list and Recyclable Items List

Schedule "F" – Opaque Container Exemption Policy

Schedule "G" – Provisions and Penalties

This by-law comes into effect the day it is passed by council.

SCHEDULE “A”
TO BY-LAW NO. 2007-413
MUNICIPAL WASTE DISPOSAL SITES
HOURS OF OPERATION

Municipal Waste Disposal Site hours of operation will be as follows for all Municipal Waste Disposal Sites:

Summer Hours

March 1st to October 31st

Wednesday 12 noon – 6:00 p.m.

Saturday 8:00 a.m. – 6:00 p.m.

Winter Hours

November 1st to February 28th or 29th

Wednesday 12 noon – 4:00 p.m.

Saturday 8:00 a.m. – 4:00 p.m.

Proper identification may be requested.

Municipal Waste Disposal Sites may be closed on Statutory Holidays. An alternate date may be provided.

There shall be no trespassing after hours.

Dated: _____

SCHEDULE “B”

TO BY-LAW NO. 2007-413

FEES/BAG REQUIREMENTS

<u>ITEM</u>	<u>FEE</u>
Residential Household Waste in Township Bags (26” by 36”)	\$1.00 each Bag
Commercial or Farm Waste in Township Bags (30” by 36”)	\$2.00 each Bag
Appliances which contain Refrigerant (charge to be applied to Freon removal)	\$20.00 each
12”–15” Tires	\$5.00 per tire
16” Tires	\$10.00 per tire
Tractor Tires (including 10.5” and 22.5” sizes)	\$15.00 per tire
Individual Recyclable Items (TV’s, computers, electrical appliances, stereos, etc.)	\$5.00 per item
Brush (only at Sheffield and Camden Waste Disposal Sites):	
Truckloads	\$10.00 per load
Dump Trucks	\$30.00 per load

All the items listed in this schedule having a listed cost for disposal (excluding Residential Household Waste, Commercial Waste or Farm Waste in Township Bags) require the completion of a Waste Disposal Items Sheet at the Landfill Site.

The Waste Disposal Site Attendant will collect all fees and attach the receipt copy to the Waste Disposal Items Sheet and return it to the Township Office.

The owner of a property (or their tenant or agent) is responsible for picking up or authorizing pickup of Township Bags. A signed note of authorization must accompany an agent at the time of pickup. Proof of ownership or tenancy may be required.

The owner of a Cottage can purchase Township Bags. Proof of ownership may be required.

Fire Halls, Recreational Committees, and Libraries must approach the Township office for free Township Bags. An estimate of the number of Township Bags needed must be provided to the Township office staff.

Campground owners are responsible for providing Township Bags and disposing of garbage that is generated within the campground.

Schools, rental halls and churches must designate one person to obtain the Township Bags from the Township Office.

Vacant land owners will only be allowed to use the Municipal Waste Disposal Sites to dispose of brush that is generated from their Stone Mills Township lot. They must complete the Waste Disposal Items Sheet, pay the dumping fee and follow the provisions set in this by-law.

SCHEDULE “C”

TO BY-LAW NO. 2007-413

PROHIBITED WASTE MATERIALS

Disposal of the following items shall be prohibited within the landfill area of the Municipal Waste Disposal Sites:

Hazardous Waste

Industrial Waste

Dead animals

Non-recyclable Large Waste Items

Construction Waste

SCHEDULE "D"

TO BY-LAW NO. 2007-413

WASTE DISPOSAL ITEMS SHEET

The Waste Disposal Items Sheet must be completed by the Waste Disposal Site Attendant and the Resident. The sheet must be filled out for the disposal of White Goods, Large Recyclable Items, brush and tires. The purpose is to compile data for reports and to provide the easiest and most equitable way of preventing waste generated outside the Township from entering the Waste Disposal Sites.

DIVERTING RULES and RECYCLABLE ITEMS LIST

DIVERTING RULES

Refrigerated appliances that have had the refrigerant removed by a Qualified Coolant Contractor can be deposited at a Municipal Waste Disposal Site free of charge, provided that a receipt for refrigerant removal is supplied to the Waste Disposal Site Attendant and a Waste Disposal Items Sheet is completed at the time of disposal.

Refrigerated appliances that contain refrigerant, or have refrigerant lines broken, can be deposited at a Municipal Waste Disposal Site but a fee must be paid to the Waste Disposal Site Attendant and a Waste Disposal Items Sheet must be completed prior to disposing of the appliance.

All wood, glass, and plastic must be removed from any metal products that are to be diverted at a Municipal Waste Disposal Site.

All tin and aluminum cans that contained food products must be cleaned, flattened or crushed and must be emptied into the recycling depots at a Municipal Waste Disposal Site by the owner of the materials. The cans cannot be in paper bags, plastic bags, boxes, garbage cans or any other container.

Newspapers, flyers, etc. must be bundled in small, easy to handle bundles contained in a small cardboard box and must have all plastic bags removed. These bundles must be placed in the Mixed Fibre bin.

Old corrugated cardboard boxes and boxboard must be collapsed, tied in very secure bundles and placed in the Mixed Fibre bin.

Tires can be diverted at a Municipal Waste Disposal Site, but all rims must first be removed from the tires. The tires are to be deposited at the tire disposal area in accordance with the directions of the Waste Disposal Site Attendant. A Waste Disposal Items Sheet must be completed and the applicable fees paid before the tires can be deposited in the tire disposal area.

White Metal can be diverted at a Municipal Waste Disposal Site and shall be separated from other waste in the area designated by the Waste Disposal Site Attendant.

Lawnmowers must have oil and gas removed.

All containers must be washed and free of all waste materials.

RECYCLABLE ITEMS LIST

Acceptable Items for Metal Recycling

- | | |
|---------------------|----------------------------|
| Air Conditioners | Metal Siding |
| Antennas | Metal Playground Equipment |
| Bed Springs | Metal Electric Boxes |
| Bicycles | Mufflers & Exhaust |
| Body Panels | Metal Cabinets |
| Eaves Troughs | Metal Sinks |
| Fence Wire | Ranges |
| Fridges/Freezers | Stoves |
| Garage Doors | Tin Roofing |
| Heating & Air Ducts | Tin & Aluminum Cans |
| Hot Water Heaters | Electrical Wire |
| Lawn Furniture | Electrical Appliances |
- And other metal items not otherwise prohibited by this by-law or its exhibits.

Acceptable Items for Mixed Fibre Recycling Not recyclable as Mixed Fibres

- | | |

Coloured/manila file folders	
File stock (I.e. time cards) – No metal clips	
Boxboard	
Brown lunch bags	
Toilet paper	
Stationery/letterhead	
Soft covered books (recyclable glue)	

Staples, paper clips, sticky labels and stamps do not need to be removed from recycled papers.

Papers with magic marker or coloured highlighter are also acceptable.

For paper recycling, washroom paper and food paper are not acceptable.

Plastics

Any plastic container, except oil containers, which has contained a product is acceptable.

Plastic wrap, bags and packaging (except oil product packaging) are acceptable.

Mixed Cans

Only cans that have contained a food product are acceptable.

SCHEDULE “F”

TO BY-LAW NO. 2007-413

OPAQUE CONTAINER EXEMPTION POLICY

This exemption is available to persons having a need certified by a medical doctor or a Homecare Director.

The allowable number of opaque bags/containers per Township Bag will be varied to comply with the written recommendation made by the Homecare Director or the medical doctor for that person.

In the recommendation, the Homecare Director or medical doctor will state the number of opaque bags/containers required per Township Bag.

Each recommendation is valid for one (1) year, after which time the person shall require a new recommendation or will be subject to the general provisions in this by-law for opaque bags/containers within Township Bags.

The person receiving the exemption is responsible for disposing of waste according to procedures approved by the Homecare Director or medical doctor.

SCHEDULE “G”

TO BY-LAW NO. 2007-413

PROVISIONS AND PENALTIES

ITEM	DESCRIPTION OF OFFENCE	PROVISIONS CREATING DEFINING OFFENCE	MINIMUM FINES INCLUDING COSTS
1.	Entering a waste disposal site after after hours of operation or when an attendant is not on duty.	3.5	\$150.00
