

Current COVID-19 Restrictions

- All persons must follow Provincial and Municipal vaccination requirements and provide proof of vaccination status upon arrival. * NEW* *The enhanced vaccine certificate with QR code is the only approved method for providing proof of vaccination to gain access to the Stone Mills Recreation Centre (SMRC)*
- Complete the active Public Health screening assessment prior to arrival to the SMRC with responses that would not limit access to the SMRC.
- Complete the contact tracing form and screening assessment upon arrival.
- Abide by mandated 2.0m social distancing requirement.
- A Face covering/mask covering both the mouth and nose are required to be worn at all times while in the SMRC.
 - Masks may only be removed when consuming food or drink or while seated. It is strongly recommended that if you are removing face coverings for the consumption of food or drink, that social distancing still be exercised.
 - Masks may also be removed for those participating in on-ice activities.
- **Capacity limits as follows:**
 - 10-12 people per dressing room
 - 50 people for Public Skating
 - 50 people for organized on-ice activities
 - 65 for spectators (limited to two '2' individuals per participant)

CANTEEN WILL REMAIN CLOSED UNTIL FEBRUARY 21, 2022
