NOTICE OF PRE-CONSTRUCTION WORK (Entrance Culvert Replacements) County Rd 4, Township of Stone Mills

Dear Resident / Business Operator,

Coco Paving Inc has been contracted by the County of Lennox & Addington to rehabilitate two sections of County Rd 4 in the Township of Stone Mills. The southern section is from Queen Victoria St in Camden East to 1.8 kms north of County Rd 17. The northern section is from County Rd 14 to Ballantra Drive in Tamworth.

The rehabilitation generally consists of drainage improvements (ditching & culverts), in-place pulverizing of the existing asphalt, adding granular material and re-paving including paved shoulders.

Prior to Coco Paving commencing work, the Township of Stone Mills will be replacing some entrance/driveway culverts. The Township work is scheduled to commence on **Monday May 25, 2020**.

To facilitate the work, temporary lane closures will be required and some traffic delays can be expected. Please slow down and proceed with caution through the work area. You will be advised when works are going to impact your driveway.

You will receive a separate notice of construction from Coco Paving prior to them commencing their work. Their notice will provide you with their contact information.

We apologize for any inconvenience these works may cause and appreciate your patience.

Should you have any questions on the works being carried out by the Stone Mills Township crew, please contact one of the following:
